## Food Lover's Tour of Bali

with Vegan Travel Asia

**August 3 to 15, 2026**

Imagine gently-swaying palm trees, postcard-perfect beaches, emerald green rice paddies, rich local culture, undiscovered villages, and divine vegan cuisine. Join VegNews for a magical getaway to Bali, one of the most serene and breathtakingly beautiful islands in the world.

### *Trip highlights...*

- Savor incredible vegan island cuisine
- Sample an array of local fresh fruit
- Trek up an active volcano with stunning views
- Visit picturesque beaches and rural villages
- Snorkel pristine coral reefs
- Participate in an ancient Hindu ceremony
- Visit an amazing animal sanctuary
- Take two Balinese cooking classes
- Enjoy traditional music and dance
- Island hop to Java to hike a national park
- Dine with a local family
- Relax with a traditional Balinese massage
