

The premier vegan lifestyle magazine, VegNews is pleased to announce the winners of the 2013 **VegNews Magazine Best of Show Awards**. Our team of editors scoured the show floor, sampling hundreds and hundreds of new vegan products to determine this year's best of the best. Winners receive a beautiful framed award, a feature in the July+August 2013 issue of VegNews Magazine, and major bragging rights for being awarded one of the year's **12 hottest new vegan products**. Congratulations to all!
